

SelkirkRegeneration

Trustee Vacancy Role Description

- Location: Selkirk, Scottish Borders
- Salary: Unpaid/voluntary
- Applications open/close: Ongoing

Job description

Are you passionate about Selkirk and the Valleys? Do you want to see the Borders thrive and adapt to a changing climate and population? Join Selkirk Regeneration SCIO as a Trustee and help guide our work as we strive towards a sustainable future for Selkirk and its communities.

About Selkirk Regeneration

Selkirk Regeneration SCIO is a small, independent charity which seeks to improve the quality of life in and around the Royal Burgh of Selkirk through the principles of sustainable development. The charity is managed by a board of Trustees, with organisational membership open to everyone who lives in the TD7 area.

We're responsible for many of the things you see and do around the town, including the pop-up shop and the Sustainable Borders energy advice service. We work in tandem with other community groups to develop the town and keep it thriving.

Why join us?

There are lots of reasons to become a Trustee of Selkirk Regeneration:

Join the fight against climate change
Help improve the area
Gain Board-level experience
Improve your CV
Make connections within the town

If you think the role could be right for you, email us to arrange an informal chat. We'll be happy to answer your questions and tell you more about the work that we do.

About the Board of Trustees.

The Board at Selkirk Regeneration are integral in deciding the strategic direction of the charity. Trustees make decisions on future projects and priorities, and oversee the legalities of the charity including funding, governance and administration. Each Trustee has their own particular interests, and can take ownership on projects related to that area.

The Board typically meets every once 8 - 12 weeks, depending on charity activity. Meetings are held in person, in Selkirk.

Who are we looking for?

We're seeking individuals who are passionate about our vision to see Selkirk flourish through sustainable development, and who have the time and skills to contribute to the Board. Relevant skills and knowledge could include:

- Sustainability
- Place planning
- Community engagement
- Renewable energy
- Climate change
- Local knowledge
- Engineering
- Fundraising

We welcome applications from people of all ages and backgrounds, but would be particularly keen to hear from young people under the age of 25 and people from minority ethnic backgrounds.

Application Process

We would suggest an informal chat with the first step in your application. Please email andy@4-tunes.com and we would be happy to arrange this.

If you then wish to go ahead and apply, please send the following information:

- A short covering letter expressing why you are interested in being a Selkirk Regeneration Trustee, and how your skills and experience are relevant to the role.
- A copy of your current CV, if available.

If you have any queries about the role or the application process, please do not hesitate to email us.

We look forward to hearing from you!
